### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 43, line 1 replace "connecters" with --connectors--.

In claim 45, line 1 after "and" insert --the--.

In claim 53, line 1 replace "connecters" with --connectors--.

2. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest a plug and a plug connector such that a first signal pathway is provided between first and second contacts when the plug is fully inserted into the plug connector; a second signal pathway is provided between the first and second contacts when the plug is removed; and that both signal pathways are concurrently provided only when the plug is partially removed from the plug connector.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
